PARISH UPDATE 10/20/2024

In behalf of our entire parish family, I would like to thank Esther Thiessen for our beautiful Thanksgiving decoration. It is amazing that her arrangement varies from year to year. We thank the Lord for giving our community a lot of creative people!..... I would like to congratulate the 5 couples who participated the mass wedding this Saturday – Saraña couple, Fontelo couple, Cabonillas couple, Bowade couple, and Amatong couple. It is our constant prayers for them and for all married couples in our parish that through the grace of the sacrament of Holy Matrimony, they may have a true and understanding love for each other, the grace to live with each other in peace and harmony, and may always bear one another's weaknesses and grow from each other's strengths..... The mass wedding is a celebration initiated by our parish commission on Family and Life whose members also belong to the Couples for Christ. We are very grateful to them for working so hard in preparing the couple – spiritually and otherwise - in receiving the sacrament. They accompanied the couples during the prayerful sessions about sacramental marriage, the taking of pre-nuptial pictures, and during the immediate preparations leading to the celebration yesterday, October 19 at 10 AM. Kudos to our Commission on Family and Life! Kudos to the CFC!..... On Sunday, October 27, we will witness our cute catechism kids dressing up like their favourite saints! This celebration is to anticipate the feast of All Saints on November 1..... I would like to reiterate my request last Sunday that we postpone from visiting each other, and avoid unnecessary chatter before the Mass. The period before the Mass is best spent in disposing oneself to encounter the Lord in the Sacrament. We can visit each other after the Mass when there is usually somebody who prepares coffee at the parish hall and brings dainties to share.
