**A HAPPY, HEALTHY AND
BLESSED NEW YEAR TO ALL**

WEARING A HAT INSIDE THE CHURCH

Why is it that traditionally women come to church covering their hair with a veil or a hat? It is because hair has been the source of vanity for women. They spend considerable amount of money to color, straighten, and style it. By covering their hair in the church, however, they show respect to the Blessed Lord. They don't want to call attention to themselves but to God, the Creator of all beauty. For men, however, head covering symbolizes status or roles, thus the saying, "a man of many hats". For men, hats represent prestige and honor. By uncovering their heads or taking their hats off inside the church, men show humility and respect before the Lord the source of all power and authority.

Monthly Prayer Intentions of Pope Francis Prayer Intention for December, 2019

Universal: The Future of the Very Young That every country determines to take the necessary measures to make the future of the very young, especially those who suffer, a priority.

INCENSE DURING LITURGICAL CELEBRATIONS

We have limited the use of incense during our liturgical celebrations to major feasts in consideration for the members of our community who are allergic to strong scents. To practice charity, therefore, kindly also refrain from wearing perfume or strong aftershave and try to keep our church scent-free / fragrance-friendly as much as possible.

SUNDAY EVENING MASS

Starting January 12, 2020, there will be a 2nd Sunday Mass at every 7 o'clock in the evening. We are trying to accommodate the work shift of those who have to work on Sundays, so that they too can fulfill the Sunday obligation. Thus, the time is experimental.

Feedback is very much welcomed thereon, so that the parish may better respond to your spiritual needs.

Please Pray for the Sick of Our Parish....they are:
