PARISH UPDATE 05/26/2024

The Parish Building Committee is conducting a survey with regards to the kind of improvements that we should do on our facilities and how are they to be prioritized. I am appealing for maximum participation in the survey. Each parishioner may participate individually. But, of course, members of a family may opt to answer together the survey..... The Building Committee have had our second meeting. There was never a boring moment during the meetings. There is always good natured banter while each member of the committee impressed me with their competence and how seriously they are taking the mandate given them. It is so fascinating to observe the exchange of ideas. But, you know what? You can help our good building committee become the best by expressing your thoughts on future developments. So, do participate in the survey! You may use the forms available on the table at the foyer or do it online on our parish website..... I am again reminding you, dear parents, to register your children to our parish catechism program. The deadline to register is on August 26. But, you know well how easily it is to overlook this kind of thing especially because our activities are usually cramped during our short summers. So, it is better to enroll your kids to the catechism program as early as possible..... Coming up are some activities concerning our children: On Saturday, June 1, at 4:30 PM is Children's Rosary and Mass. At 6:00 PM is First Reconciliation. The following day which is Corpus Christi Sunday, June 2, during the 11:00 AM Mass is First Holy Communion. The liturgy will end with an outdoor Eucharistic procession and solemn Benediction at the church parking lot. I am excited that we will be using for the first time our new baldacchino (processional canopy)! Thank you, Del Mundo Family.
