Parish Update May 7t, 2022

I had a wonderful retreat in Pinawa together with the Archbishop and other priests of the archdiocese. I surely felt the support of your prayers. Thank you so much..... The theme of the retreat was: Your Word is a Lamp to My Feet and a Light to My Path. It was facilitated by Sr. Jacqueline St-Yves, a Grey Nun from Montreal..... Summarized Answer to the questionnaire on synodality - Q2: In our parish, what enables us to listen to one another including the voices of those who suffer? A2: A few of the respondents tended to answer this question through the lens of the pandemic, and so there were those who said that nothing is actually happening in the parish in this regard. However, several replied that fellowship among parishioners after the Mass was the avenue through which members of the parish community were able to listen to one another. There is a general impression that members of the community are open and compassionate towards each other, and the leaders are administering the parish with love and humility. Other answers with regards to ways that enabled parishioners to listen to one another are: (a) visiting new parishioners, the sick, the hospitalized, the house-bound, the lonely, etc. (b) involving in fundraising activities to help those in need (c) Sharing time and talent (d) joining in the initiatives of religious organizations like the CWL. Finally, somebody suggested that a box be put out for people to drop in their requests or needs and as avenue to voice out.

RECONCILIATION: Presently only available Saturday and Sunday

Monthly Prayer Intentions of Pope Francis

Prayer Intention for May, 2022

For faith-filled young people – We pray for all young people, called to live life to the fullest; may they see in Mary’s life the way to listen, the depth of discernment, the courage that faith generates, and the dedication to service.

May 8, 2022 - 4th Sunday of Easter

“The disciples were filled with joy and the Holy Spirit.”
(ACTS 13:52)

The disciples heard Our Lord’s call and were able to spread the Gospel message with strength and vitality. We, too, can experience that same joy if we make room for the Holy Spirit to fill our hearts. When we use our gifts in the way that God intends, He fills us with supernatural joy. A joy that others notice and are attracted to!

St. Teresa of Calcutta: “That special power of loving that belongs to a woman is seen most clearly when she becomes a mother. Motherhood is the gift of God to women. How grateful we must be to God for this wonderful gift that brings such joy to the whole world, women and men alike!”

Please Pray for the Sick of Our Parish....
